

Welcome to Supreme TD Toastmasters

Since 1924 Toastmasters International has been helping individuals to become better speakers and leaders around the globe throughout its clubs network. *We are one of them.*

Supreme TD Toastmasters is a developmental and learning experience you don't really want to miss. Whether you were invited to participate or you were just curious to attend; this is how we can help you.

- We'll share with you the knowledge, competence and opportunity to acquire skills and the confidence required to be a successful public speaker and a confident leader.
- We'll offer you a diverse inclusive learning environment in which you can practice and hone your public speaking skills and leadership attributes.
- As a member, you will benefit from valuable feedback not only from you personal evaluator; but the general members as well. This process will help you build on your strengths while enhancing your presentation skills as you go through your developmental path.
- You will also benefit from working with a mentor to coach you and guide you to successfully meet your personal goals
- You will have the opportunity to practice your leadership skills by taking on the various agenda roles at our weekly meetings
- You will have access to a wide internal network of individuals from diverse business units within TD Bank.
